

have been out of first place, and there have been but few changes in the lineup of the club. Bigbie and Frost are the only new men. The others—McLeavy, Baeh, Hicks, Sharp, Knowles, Jones and Hulcher—have been on the team all season, and the two new men are old Brownie players of several years ago.

Richmond is one of the best ball towns in the country, and it is quite likely that next season will introduce ball here in one of the higher leagues. Some of the Twin-City players are in line for the big leagues, and a team could be secured here that would make a good showing in the Eastern League.

Take players like Fitzpatrick, McEvoy, Hicks, Bigbie, Frost, Baeh, Boone, Ross, Sharp, Taylor, Hulcher, Knowles, Jones, McLeavy, Baeh, Bauer, Knightly, Holland, Trelton, Charters, Jennings, Shelton, Tritton, Lewis. A fine team could be picked from that bunch.

It is quite certain that the fine baseball will be seen here next season.

Manager Taylor, of the Imperials, said last night that he was satisfied to be so close a second to the fast Brownies, although, of course, he would rather have been in first place. He issued a challenge to Manager Daily, of the Brownies, last night to play another series for the State championship for \$200 a side. The challenge was accepted, and the game will be played at Broad Street Park here on Thursday afternoon at 1 o'clock. The pennant will be presented Manager Daily by President Robert Knightly, of the league, at the Bijou Theatre next Wednesday night. The Brownies and Imperials will occupy the boxes, and the flag will be received with a short speech.

TORMENTING RHEUMATISM

Columbus, Ohio, May 20, 1903.
Six years ago I was seized with inflammatory Rheumatism. I was laid up in bed for six months, and the doctors I had did me no good. They changed medicines every week and nothing they prescribed seemed to help me. Finally I began the use of S. S. S. My knee and elbow joints were swollen terribly, and at one time my joints were so swollen and painful that I could not close them when opened. I was so bad that I could not move knee or foot. I was getting discouraged, but as I saw it was helping me I continued it, and to-day I am a sound well man and have never had a return of the disease. S. S. S. purified my blood and cured me of this severe case of Rheumatism after everything else had failed. I have recommended it to others with good results.
R. H. CHAPMAN.
1355 Mt. Vernon Ave.

The poisonous acids that produce the inflammation and pain are absorbed into the blood and Rheumatism can never be conquered till these are neutral
